Cost: Free	Time: October 20th 8:30 a.m. – 3:00 p.m. Spokane	Class Size: 50
	October 21st, 9:00 a.m. – 3:30 p.m. Kennewick	

Target Audience

Anyone working in the NEPA arena, especially local agency staff and consultants who are responsible for preparing environmental documentation for Federal Highway Administration (FHWA) funded projects.

Course Description

Highways & Local Programs (H&LP) is pleased to announce a new one-day training workshop titled The NEPA Roundtable. The workshop will cover the current policies and laws that affect your FHWA/NEPA-eligible projects. Specific agenda topics will include:

- Changes to Local Agency Guidelines (LAG), Chapter 24,
- Upcoming changes to the Environmental Classification Summary (ECS) and H&LP's ECS Guidebook,
- An explanation of how H&LP is seeking opportunities to fund removal of fish-passage barriers associated with local-agency roads. We ask that each local agency bring a list of up to 15 potential fish-passage barrier projects. Private property within a local jurisdiction is eligible.
- Environmental Justice and how to gather appropriate data and put together an acceptable report.
- Hazardous Materials Discipline Reports – How and when do you do it?
- Section 106 (APE & coordination)
- A portion of the workshop will be reserved for questions and additional topics that are important to the NEPA community.
- Spokane Class only: Discussion on Bull Trout and work near the Spokane River

We hope you will take this opportunity to talk directly with staff at FHWA, NMFS and H&LP. The success of this workshop is dependent on participation of the entire NEPA "neighborhood." Hence we want to hear your topics and questions. Please forward your ideas to Stacie Kelsey, KelseyS@wsdot.wa.gov, (360) 705-7376, Trevin Taylor taylor@wsdot.wa.gov (360) 705-6975, or Bill Leonard leonardb@wsdot.wa.gov (360) 705-7344.

Space is limited so sign up today!

Registration

Please register on-line using this link: [On-line Registration](http://eefmapps.wsdot.wa.gov/fmi/xsl/LTAPTraining/registration.xsl?-db=Web%20Registration&-lay=Web%20Layout&-view). Or key this web address into your browser:
<http://eefmapps.wsdot.wa.gov/fmi/xsl/LTAPTraining/registration.xsl?-db=Web%20Registration&-lay=Web%20Layout&-view>

Fill in the requested information, select your class from the list, then press "Submit." After your request is processed, you will receive an e-mail confirmation of registration with driving directions to the training site. If you do not receive a confirmation e-mail within a day or two, you may not be registered and should contact us by phone.

Confirmation letters are mailed three weeks prior to the class. If you are unable to attend, someone else from your agency may attend in your place. Questions about registration or for cancellations, please contact Judy McDonald, McdonJT@wsdot.wa.gov or (360) 705-7809.

(Disability accommodations provided upon request.)
